## **Organization Overview**

The Junior Indians baseball program provides opportunities for the youth of the Menomonee Falls School District to develop their baseball skills in a competitive environment. The organization fields teams from grade 3 - 8 in the Wisconsin State Youth Baseball League. We are a feeder program for the High School team and are recognized by the state of Wisconsin as a non-profit entity. The Jr Indians appreciate the support provided by the local community and its members actively participate in a variety of community events.

Tryout attendance is mandatory for both days.
