PRESCHOOL ENRICHMENT

At the Y, we know that kids just want to have fun! We love providing a place and programs where kids can be kids in a safe and fun environment. Through our preschool enrichment programs, kids are able to spend time with other kids while they find new ways to have fun.

SCHOOL'S OUT FUN DAYS

The School's Out Fun Day program keeps your child busy! Children receive a morning and afternoon snack and participate in a variety of activities, including arts & crafts, swimming, large and small group games, gym and outside activities, and much more. Children must bring a healthy, nonperishable lunch, swimsuit, towel, and goggles in a labeled backpack.
