Featuring School Board Candidates

**Ron Bertieri
Lowell Kellogg
Mark Nadolski**

School board members make many important decisions for the school district, such as, what students will learn, how the budget will be spent and how teachers are trained and compensated. These decisions affect our children in Menomonee Falls and it is important to make an informed choice when going to the polls. Questions will be submitted and presented by the PTSO/PTA council. We encourage community members to attend to understand where each candidate stands on these important issues.

Elections will be held on Tuesday, April 4, 2017.
